Wanna scream

wanna scream

Sayin I am nt A Robo

Sayin I am nt of ur kind

Wanna scream

wanna scream

No time to have fun

No time to care for others

Worlds turning out mechanical

I am sick Of It

Wanna scream

Wanna scream

I am not with Bolts and Nuts,

I need no Batteriess

I am with heart and soul

I am not your slave any more.

Wanna Scream

Wanna scream

Job is the goal

Money keeps changing the world

Innovativeness is dying hardcore

I cant be dumb and go along

Wanna Scream

Wanna scream

Saying Im nt a robo

Sayin Saying Im nt of ur kind

Sayin Sayin Im nt a robo

Im saying, I am nt of ur kind...
